CHAIN OF CIRCULATION

25X1A

The U. S. Government proposes to require for public use at an estimated cost [redacted] optical glass discs (as described in letter from the Perkin-Elmer Corporation dated 12 November 1956), manufactured by the Jenaer Glaswerk Schott and Gen. Landsnut, Jena, Germany, through the Perkin-Elmer Corporation under Government Contract No. 13-20-60.

I find that the above-mentioned supplies are not manufactured in the United States in sufficient and reasonably available commercial quantities and of a satisfactory quality.

I, therefore, determine that the provisions of the Buy American Act (41 U.S.C. 101-106) are inapplicable to the Articles described above or the provisions thereof and that same may be purchased without regard to the said Act.

This Finding and Determination is made pursuant to authority vested in the undersigned as Contracting Officer for said contract.

Contracting Officer
United States Government
United States of America

Subject: Exception to the Buy American Act

Reference: Clause 13, Buy American Act, of the General Provisions
of Contract HF-20-80.

Dear Sir:

In accordance with the General Provisions Clause 13,
Buy American Act, of Contract HF-20-80, we hereby request that an
exception to the provisions of the act be granted to the Perkin-Elmer
Corporation for the purchase of the three-hundred and seventy (370)
optical glass discs as described in the attachment to this letter.

This material is being purchased from the Jenaer Glaswerk
Schott and Gen. Landshut, Germany at an estimated cost, including
air freight and cartage of \$4,542.71 and will be used in fabricating
the equipment called for under Contract HF-20-80.

Your prompt attention in granting this request would be
greatly appreciated.

Very truly yours,

THE PERKIN-ELMER CORPORATION
